## Monday Worship

As part of our celebration worship on Monday afternoons, I'd love to see some pictures of children and their achievements at home that we can share with the whole school. This could be any activity they've done where they have a great sense of achievement, from riding a bike for the first time to beating their grandad at chess.

Please send your pictures to [p.howard@clayton-le-woods.lancs.sch.uk](mailto:p.howard@clayton-le-woods.lancs.sch.uk) and they'll be added to a slideshow that will be played coming in to and leaving worship.

Many thanks, Mr Howard

## APPLYING FOR PLACES FOR SEPTEMBER 2019

For Lancashire resident families who will require a primary or secondary school place in September 2019 the means of application is via Lancashire's new online system at:

**[www.lancashire.gov.uk/schools](http://www.lancashire.gov.uk/schools)**

This will go live from 3 September 2018. It is quick and easy to use and offers an email receipt of all submitted applications. Please ensure that you hit the "submit" button when you are ready to send in your completed online application. You must apply even if you already have siblings at your preferred school or academy. If you live in Lancashire you can include out of area preferences on your online application.

If you have submitted and received an email acknowledgement of an online application you can log back onto the system during the application period to view this. **If however, you go back into your original application this may have been over written (it definitely will if you make any changes). It will then no longer be valid.** This applies for all changes, even very minor ones e.g. hyphens, apostrophes and typo corrections.

**To ensure that your online application remains valid you are therefore strongly advised to press the re-submit button if you revisit the system at any time during the application period (whether or not changes were made). You should then receive a further confirmation email.**

The closing dates for applications for September 2019 are at 11-59 pm on:

Secondary school applications – 31 October 2018

Primary school applications – 15 January 2019

# Attendance & Punctuality In School

## Some interesting facts:

- Missing just 10 minutes of school a day is the same as missing two weeks over the school year.
  - 90% attendance is equivalent to missing 100 hour long lessons.
- If you take your child on a 2 week holiday in term time, attendance for the year immediately drops to 95%.
- 90% attendance means  $\frac{1}{2}$  a days absence each week; 4 weeks over the year & half a years absence over 5 years!!!!
  - 90% attendance is equivalent to a full month off school in a year.

## Did you know?

- Around 85 million days are lost to absence each year.
- A 2 week holiday in school time means your child has approximately 50 hours of missed work to catch up on!!!

Just some interesting facts regarding punctuality and attendance. Although we aim for 100% attendance, each year we set a target for attendance and this is used to compare us to other schools nationally.

Clayton-le-Woods attendance for the last school year was 96.54%, Spring term it was 96.33% and the last half term was 96.25%. Our target this year for attendance is 97.5%.

School starts at 8.50am and ends at 3.30pm.

# Head Lice - Check for Head Lice

Don't forget to check for head lice. Below are some NHS ideas for keeping the little beasts in check.

## How to get rid of head lice

There is no need to keep your child off school if they have head lice.

### USE LOTION or SPRAY TO TREAT HEAD LICE.

You can use medicated lotion and sprays that kill head lice in all types of hair. You can buy these from pharmacies & supermarkets.

Head lice should die within a day. Lotions and sprays come with a comb to remove dead lice and eggs. The comb can then be used at a later date to comb through the hair at bath time.

Some treatments need to be repeated after a week to kill any newly hatched lice. Check the pack to see if they are OK for you or your child and how to use them.

If lotions or sprays don't work, speak to your pharmacist about other treatments.

There is nothing you can do to prevent head lice. You can reduce the risk of lice spreading by avoiding head to head contact & keeping long hair tied back.

Ask if your pharmacy is involved with the Minor Ailments Scheme, as detailed below.

## Pharmacy First, Minor Ailments Scheme (Chorley & South Ribble and Greater Preston CCG Areas)

This service encourages patients to self-refer to their local community pharmacy. The community pharmacy will treat minor ailments and supply medicines according to the Greater Preston CCG minor ailments local formulary. **Medicines will be supplied free for patient exempt from prescriptions charges.**

The Minor Ailment Scheme provides patients living in the South Ribble area with advice and access to medicines through community pharmacies where appropriate, supporting integration and self-care. The pharmacist or suitably trained member of pharmacy staff should carry out a professional consultation with reference to the minor ailment scheme formulary. This will involve:

- a patient assessment;
- provision of advice;
- completion of minor ailments online consultation form in accordance with the CCG's protocols; and
- supply of medicine(s) from the agreed formulary where appropriate.

**PRE-SCHOOL** - We have places available in Pre School, if you would like your 3 or 4 year old to start Pre School contact the school office and we can arrange a tour around Pre School. 15 hours grant and 30 hours FREE childcare grant is available. - Cheques for PTFA to 'Friends Clayton le Woods CE School'
- Parent Pay is now an option to pay for Care Club. Registration is need before payment can be made, call in the office to receive your username and password.

# School Gardening Club

Mr Howard, Mrs Seers & Mr Molloy are starting a Gardening Club and would like parents to send in any tools, pots or gardening related items to help the children get started.

If parents have any pairs of gloves they don't use for gardening, the Gardening Club will be able to make use of them.

Progress reports will follow.

## Week 1

We had our first meeting on Friday of last week. The children worked hard clearing weeds and stones from the border that runs along side the path near the infant building. The club has a request to parents, if anyone is able to send in spring flowering bulbs & pots of herbs, we intend to plant them along the border to brighten the path up in Spring. If anyone has any Strawberry runners we would like to plant the tyres up with them in the garden area. Also if anyone has any gardening gloves or tools they wish to donate, they will be greatly received.

# Guitar Lessons

Dear Parent / Guardian,

There will be a beginners group for guitar lessons starting on Wednesday the 12<sup>th</sup> September 2018 at 12.30pm – 1.00pm.

The lessons will be half an hour long and tuning will take place prior to the start.

Fees are £40 per full school term. There will be between 13 lessons in the first term. Fees include music and are payable in advance on the first lesson of the autumn term. Charges are very reasonable compared to lessons taken outside of school.

The guitar groups perform in assemblies, school concerts and busk at Christmas and summer fairs. This gives them the opportunity to put into practice and express to an audience their level of achievement throughout the term. Learning a musical instrument can be extremely rewarding and can aid a child's educational development. Many children carry on into High School, College and University. My contact no is 079200 56721 and my email is [carmel@cmg-guitars.co.uk](mailto:carmel@cmg-guitars.co.uk) should you require further information.

Guitars if not already owned may be purchased through myself. I now supply Palma guitars in either Natural, Black, Red or Blue, all priced at £45 including a soft case. I have a limited number of pre owned guitars these are made by Valencia in natural with a purple case. They are in very good condition and are priced at £30 . These will be supplied on a first come first served basis.

If you wish to purchase a guitar please send a £10 deposit along with the reply slip by Friday the 6th July.

Yours Sincerely,

Miss Carmel Galea. L.L.C.M. (Guitar teacher).

Life in 'Likes'

Social media use among 8-12 year olds:

Executive Summary

Most social media platforms have a minimum age limit of 13, but research shows a growing number of children aged under 13 are using social media, with 3 in 4 children aged 10-12 having their own accounts.

While much is known about how teenagers use social media, this research provides the missing piece to the story, exploring the social media lives of children before they reach the teenage years. In October and November 2017, we conducted 8 focus groups with 32 children aged 8-12 to understand the impact of social media on the wellbeing of this age group. The findings of this research are summarised below.

\_\_\_\_\_

*My social media:*

Across all ages, the most popular social media were Snapchat, Instagram, Musical.ly and WhatsApp. Younger children had less routine around when they accessed social media, while older children started to get into the habit of using all their social media apps multiple times a day, and for some, it had come to dominate their day.

Social media makes me feel happy

Children knew how to cheer themselves up or calm themselves down using social media, from getting funny Snapchats from a friend to watching slime videos on Instagram. It allowed children to be creative and play games, two things that appealed to children from a very young age.

*How I stay safe online:*

Parents and schools had successfully ingrained messages in children about online safety from known risks such as predators and strangers. Yet children were less aware of how to protect themselves from other online situations that could affect their mood and emotions.

*My friends and family*

*‘Following’ my family:*

Younger children were particularly influenced by their family’s views and usage of social media, and parents may be unaware of how their use of social media affects their child.

Going on my mum’s phone

Parents sometimes gave children contradictory safety messages when they let children use their social media accounts, and unknowingly exposed them to unsuitable content.

Sharenting

Many children felt uncomfortable and bothered by their parents posting pictures of them on social media, yet felt they could do little to stop it.

My sister showed me Snapstreaks

Children learned how to do new things on social media from their older siblings, but were also put off by things that their siblings had experienced. In some cases, children worried about their siblings’ behaviour online, such as excessive use and ignoring safety messages.

*My online friends:*

Social media was important for maintaining relationships, but this got trickier to manage at secondary school, where friendships could break down online.

Keeping in touch

Children used social media as a tool to maintain friendships, and they recognised the value of face-to- face interactions for more serious conversations, like discussing worries and resolving arguments.

Falling out online

Younger children were more likely to see mean comments from strangers on apps like Roblox, whereas older children, who were communicating with a greater number of people on group chats, faced issues and confusion around the blurring of ‘jokes’ that were posted publicly.

I need to reply now

Maintaining online friendships could be stressful for some and a source of distraction from other offline activities.

Growing up on social media

Who should I be?

Children are conscious of keeping up appearances on social media, particularly when they start secondary school, and identity and seeking peer approval become more important.

Do I look okay?

Despite talking about the importance of ‘staying true to yourself’ and being authentic on social media, girls were worried about looking ‘pretty’ and boys were more concerned with looking ‘cool’ and having the right clothing.

Can we all look like celebrities?

When children started to follow celebrities and people outside their close family and friends, many became aware of how they looked compared to other people on social media, and felt that comparisons were unattainable.

Will my picture get any likes?

Children felt good when they got ‘likes’ and ‘comments’ from friends, and some Year 7 children were starting to become dependent on them, using techniques to guarantee they would get a high number of ‘likes’.

Is this shareable?

Children started to see offline activities through a ‘shareable lens’ based on what would look the best on social media.

The world and my future:

Social media could inspire children and help them learn about new things.

I want to be a YouTuber when I am older

Some children developed new aspirations about what they wanted their future to be like and copied things they saw on social media.

Learning about the world

Some children actively gathered information on social media platforms like YouTube and Instagram, and were exposed to ‘news’ via celebrities and ‘explore/discover’ pages.
