Monday Worship

As part of our celebration worship on Monday afternoons, I'd love to see some pictures of children and their achievements at home that we can share with the whole school. This could be any activity they've done where they have a great sense of achievement, from riding a bike for the first time to beating their grandad at chess.

Please send your pictures to p.howard@clayton-le-woods.lancs.sch.uk and they'll be added to a slideshow that will be played coming in to and leaving worship.

Many thanks, Mr Howard

DAMAGE TO SCHOOL WALL

School has noticed children walking on the retaining wall along the path into school. This has been damaged and been repaired. Please do not allow your child to walk on the wall as this will result in more damage and cost to the school and also may result in an injury.

Thank you for your cooperation in this matter.

HEADTEACHER'S COMMENTS

Ms Booth is leaving the school on Friday to take up a new post. Ms Booth has been working as a TA in the juniors for the past 18 months. We all wish her every happiness and success in the future.

Children from Year 5 and 6 will be taking part in the Clayton Cup tomorrow evening. This is held at Clayton Green Sports Centre and is a competition of different sporting events between our school, Manor Road, Whittle, Clayton Brook, Lancaster Lane, St Bedes and Westwood.

*Please be reminded that parking on the road is extremely dangerous. Cars have to pull around the stopped vehicles and visibility is greatly reduced for children /parents and carers crossing the road. Please do not drop children off on the road for the same reasons. There is access to the car parks on Back Lane and at the entrance to Cuerden Valley. Parking charges are lifted at dropping off and picking up time. **MAKE SURE OUR CHILDREN ARE SAFE.***

IN THE NEAR FUTURE.

Attendance & Punctuality In School

THE COMBINED MINUTES OF 4 CHILDREN BEING LATE W/B 14th MAY IS 2 hrs 26 mins

Some interesting facts:

- Missing just 10 minutes of school a day is the same as missing two weeks over the school year.
 - 90% attendance is equivalent to missing 100 hour long lessons.
- If you take your child on a 2 week holiday in term time, attendance for the year immediately drop to 95%.
- 90% attendance means $\frac{1}{2}$ a days absence each week; 4 weeks over the year & half a years absence over 5 years!!!!
 - 90% attendance is equivalent to a full month off school in a year.

Did you know?

- Around 85 million days are lost to absence each year.
- A 2 week holiday in school time means your child has approximately 50 hours o missed work to catch up on!!!

Just some interesting facts regarding punctuality and attendance. Although we aim for 100% attendance, each year we set a target for attendance and this is used to compare us to other schools nationally.

Clayton-le-Woods attendance for the last school year was 96.54% and last term it was 96.33%. Our target this year for attendance is 97.5%.

Head Lice

Half term is the perfect time to check and treat for head lice. Below are some NHS ideas for keeping the little beasties in check.

How to get rid of head lice

There is no need to keep your child off school if they have head lice.

USE LOTION or SPRAY TO TREAT HEAD LICE.

You can use medicated lotion and sprays that kill head lice in all types of hair. You can buy these from pharmacies & supermarkets.

Head lice should die within a day. Lotions and sprays come with a comb to remove dead lice and eggs. The comb can then be used at a later date to comb through the hair at bath time.

Some treatments need to be repeated after a week to kill any newly hatched lice. Check the pack to see if they are OK for you or your child and how to use them.

If lotions or sprays don't work, speak to your pharmacist about other treatments.

There is nothing you can do to prevent head lice. You can reduce the risk of lice spreading by avoiding head to head contact & keeping long hair tied back.

Ask if your pharmacy is involved with the Minor Ailments Scheme, as detailed below.

Pharmacy First, Minor Ailments Scheme (Chorley & South Ribble and Greater Preston CCG Areas)

This service encourages patients to self-refer to their local community pharmacy. The community pharmacy will treat minor ailments and supply medicines according to the Greater Preston CCG minor ailments local formulary. **Medicines will be supplied free for patient exempt from prescriptions charges.**

The Minor Ailment Scheme provides patients living in the South Ribble area with advice and access to medicines through community pharmacies where appropriate, supporting integration and self-care. The pharmacist or suitably trained member of pharmacy staff should carry out a professional consultation with reference to the minor ailment scheme formulary. This will involve:

- a patient assessment;
- provision of advice;
- completion of minor ailments online consultation form in accordance with the CCG's protocols; and
- supply of medicine(s) from the agreed formulary where appropriate.

PRE-SCHOOL – Pre-school has places using the 15 hours funded, 30 hours funded sessions and payable sessions available for immediate start.

Cheques payable to school should be as follows:

- for lunches to: 'LCC Schools Income Account'
- Cheques for Care Club to: 'Clayton-le-Woods CEP Child Care Club'.
- Cheques for trips to: 'Clayton-le-Woods CE Primary School'
- Cheques for PTFA to 'Friends Clayton le Woods CE School'
- Parent Pay is now an option to pay for Care Club. Registration is need before payment can be made, call in the office to receive your username and password.

Parking

- Please **do not** park on the pavement outside the Pre-school classroom. This is very dangerous for our children.
- Take care when driving through the car park as there are children around.
- **DO NOT** park either on the **yellow zig-zags** or across the road from the zig zags during the busy drop-off and pick-up times.

Jewellery No jewellery apart from watches are allowed to be worn.

100 CLUB WINNERS FOR APRIL

1ST PRIZE Mrs D Seers

2ND PRIZE Mrs C Thompson

3RD PRIZE Mr G Jones

INFANTS

Infants require tights, socks and spare clothing for when children have accidents. If any clothing has been sent home previously please send them back into school

Warm Weather

Now that the weather is getting warmer, please remember to put sun tan lotion on your child before school, preferably the once a day kind.

The children will also need sun hats and water bottles in school.

With school being in a beautiful countryside setting, pollen levels can be high, with this in mind, if your child suffers from hayfever please try and remember to give them any medicine they take for it in the morning before school.

Summer Concert

We will be holding our annual Summer Concert in July.

More news to follow soon.

Payments into school

Can cash or cheques be sent into school in an envelope marked with the child's name, class and what the money is for. This will make sure the money does not go astray and will make it easier in the office to allocate it.

PARENT PAY UPDATE

Parents should have received a letter last week with their Parent Pay activation code for using Parent Pay to pay for Care Club. Please activate as soon as possible even if not using Care Club as we will be using Parent Pay in the future to pay for dinner money and trips.

CARE CLUB - BREAKFAST & AFTER SCHOOL

Please note Breakfast Club is held in the Junior School Building

Care Club is available for all children within the school, and is open from 7.50am until 8.50am and after school from 3.30pm-5.30pm.

Please ring on **077066299539** if you need to book or cancel a Care Club booking especially if cancelling a morning booking on the day.

Please pre-book your child for the following month on a paper booking form available from Care Club or the school office. Payment straight away would be appreciated. Places are limited due to numbers increasing so please send in your form as soon as possible.

If you need to cancel please let us know in advance or you will be charged for your child's unused place.

SCHOOL TEA TOWELS

We still have tea towels for sale at
£5 for one or £8 for two.

Cash or cheques payable to 'Friends of Clayton
le Woods CE Primary School.'
Call into the office to buy one.
PTFA.

EYFS

This term, we will be renovating and improving our EYFS outdoor area to ensure that it is providing exciting learning opportunities for children. This is an exciting project that will take some time to complete and we are asking for donations of any of the following if anyone has any spare bits lying around in sheds or garages at home: plastic or ceramic plant pots, small scale planting equipment, lengths of guttering, wooden pallets, tyres (any shape or size), plastic pipes (any shape or size), netting, leftover paint (any colour, preferably outdoor to withstand the weather).

If any parents or family members could contribute any time to help us renovate our outdoor area (this would be on a weekend, dates to be arranged) please let a member of the EYFS team know or email c.govier@clayton-le-woods.lancs.sch.uk.

Life in 'Likes'

Social media use among 8-12 year olds:

Executive Summary

Most social media platforms have a minimum age limit of 13, but research shows a growing number of children aged under 13 are using social media, with 3 in 4 children aged 10-12 having their own accounts.

While much is known about how teenagers use social media, this research provides the missing piece to the story, exploring the social media lives of children before they reach the teenage years. In October and November 2017, we conducted 8 focus groups with 32 children aged 8-12 to understand the impact of social media on the wellbeing of this age group. The findings of this research are summarised below.

How I use social media

My social media:

Across all ages, the most popular social media were Snapchat, Instagram, Musical.ly and WhatsApp. Younger children had less routine around when they accessed social media, while older children started to get into the habit of using all their social media apps multiple times a day, and for some, it had come to dominate their day.

Social media makes me feel happy

Children knew how to cheer themselves up or calm themselves down using social media, from getting funny Snapchats from a friend to watching slime videos on Instagram. It allowed children to be creative and play games, two things that appealed to children from a very young age.

How I stay safe online:

Parents and schools had successfully ingrained messages in children about online safety from known risks such as predators and strangers. Yet children were less aware of how to protect themselves from other online situations that could affect their mood and emotions.

My friends and family

‘Following’ my family:

Younger children were particularly influenced by their family’s views and usage of social media, and parents may be unaware of how their use of social media affects their child.

Going on my mum’s phone

Parents sometimes gave children contradictory safety messages when they let children use their social media accounts, and unknowingly exposed them to unsuitable content.

Sharenting

Many children felt uncomfortable and bothered by their parents posting pictures of them on social media, yet felt they could do little to stop it.

My sister showed me Snapstreaks

Children learned how to do new things on social media from their older siblings, but were also put off by things that their siblings had experienced. In some cases, children worried about their siblings’ behaviour online, such as excessive use and ignoring safety messages.

My online friends:

Social media was important for maintaining relationships, but this got trickier to manage at secondary school, where friendships could break down online.

Keeping in touch

Children used social media as a tool to maintain friendships, and they recognised the value of face-to- face interactions for more serious conversations, like discussing worries and resolving arguments.

Falling out online

Younger children were more likely to see mean comments from strangers on apps like Roblox, whereas older children, who were communicating with a greater number of people on group chats, faced issues and confusion around the blurring of ‘jokes’ that were posted publicly.

I need to reply now

Maintaining online friendships could be stressful for some and a source of distraction from other offline activities.

Growing up on social media

Who should I be?

Children are conscious of keeping up appearances on social media, particularly when they start secondary school, and identity and seeking peer approval become more important.

Do I look okay?

Despite talking about the importance of ‘staying true to yourself’ and being authentic on social media, girls were worried about looking ‘pretty’ and boys were more concerned with looking ‘cool’ and having the right clothing.

Can we all look like celebrities?

When children started to follow celebrities and people outside their close family and friends, many became aware of how they looked compared to other people on social media, and felt that comparisons were unattainable.

Will my picture get any likes?

Children felt good when they got ‘likes’ and ‘comments’ from friends, and some Year 7 children were starting to become dependent on them, using techniques to guarantee they would get a high number of ‘likes’.

Is this shareable?

Children started to see offline activities through a ‘shareable lens’ based on what would look the best on social media.

The world and my future:

Social media could inspire children and help them learn about new things.

I want to be a YouTuber when I am older

Some children developed new aspirations about what they wanted their future to be like and copied things they saw on social media.

Learning about the world

Some children actively gathered information on social media platforms like YouTube and Instagram, and were exposed to ‘news’ via celebrities and ‘explore/discover’ pages.
