

***With God We Grow***

**Letter 8 – Thursday 14<sup>th</sup> January 2021**

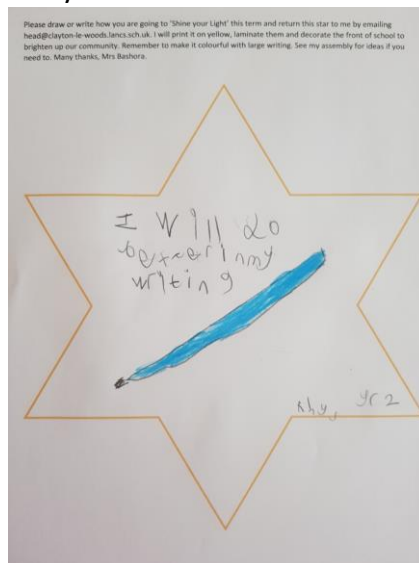

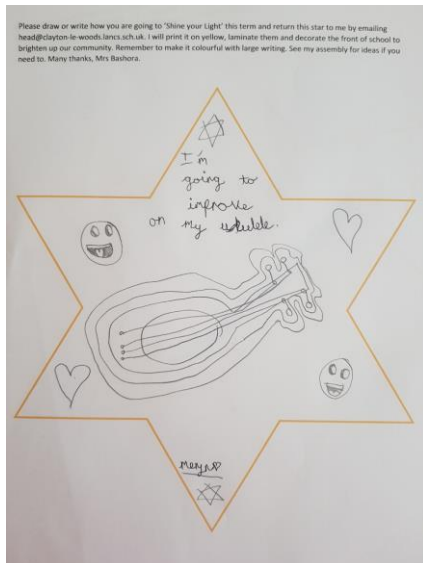

Dear Children

I hope you managed to get outside today for fresh air – in between the rain, sleet and a bit of snow!

Thank you to those children who have started working on their Shining Bright stars already. Meryn is going to work hard with playing her ukulele. When we are all back in school, having worships in the hall together, maybe you could play for us Meryn? We could have a group of ukulele players. Rhys is going to work hard on developing his writing – well done. I look forward to reading it Rhys!

Bella has committed to looking after her rabbit, feeding it by herself every day. Brilliant Bella! It looks like your rabbit is enjoying that snack. What is your rabbit's name? I wonder if any of you can guess it?

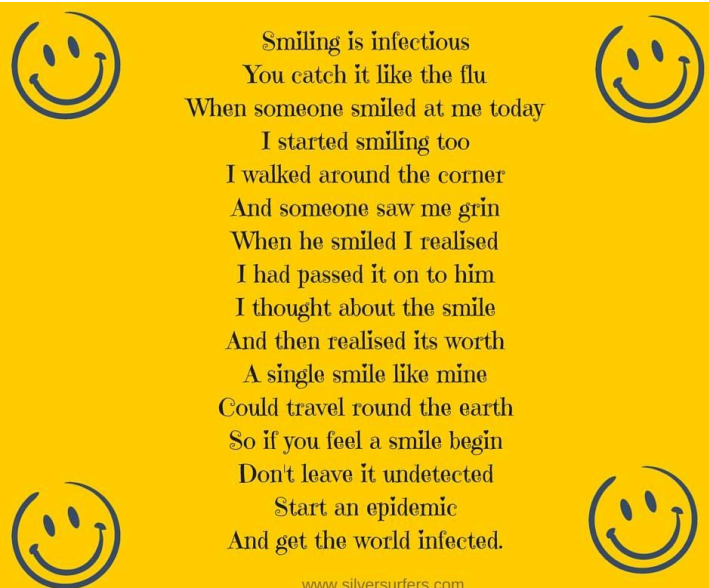

My friend sent me this lovely poem by Spike Milligan. What a lovely idea – to infect the world with smiles!

Maybe some of you like writing poetry. If you do send me your poem and I'll share it in a letter.

Also, remember to send Mr Howard your achievements, at home or school, for a 'Marvellous Me' award. I will look out for you in Monday's Celebration Assembly!

Bye for now, take care, Mrs Bashora

***'A happy heart makes the face cheerful.'* Proverbs 15:13**

Smiling is infectious  
 You catch it like the flu  
 When someone smiled at me today  
 I started smiling too  
 I walked around the corner  
 And someone saw me grin  
 When he smiled I realised  
 I had passed it on to him  
 I thought about the smile  
 And then realised its worth  
 A single smile like mine  
 Could travel round the earth  
 So if you feel a smile begin  
 Don't leave it undetected  
 Start an epidemic  
 And get the world infected.
