

***With God We Grow***

**Letter 9 – Friday 15<sup>th</sup> January 2021**

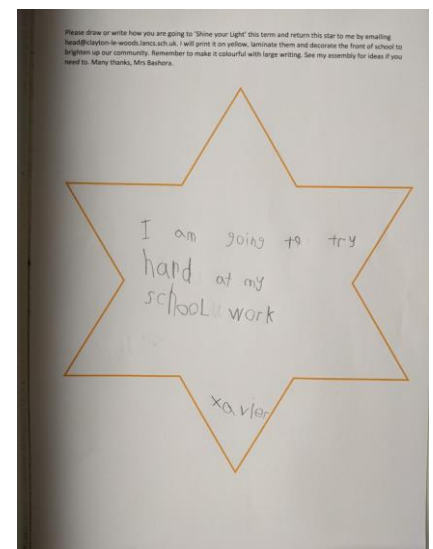

Dear Children

We have a Junior Bake Off theme to our letter tonight. Following reading Michael Rosen's Chocolate Cake poem, Will wanted to make his very own chocolate cake – with a little help from his brother! I bet everyone in your family helped to eat that - it looks delicious Will! And Izzy made chocolate chip cookies as part of her Year 4 English topic, completely on her own. Maybe in the future we could have a CLW Junior Bake Off. At my house we haven't had an oven since August so I haven't been able to bake for a long time. We have had building work done, but our new kitchen will be fitted next week. I can't wait to try out our new oven. Perhaps you can let me know you're favourite recipes to get me started.

We have another cute pet to admire today. This is Fin, Ethan's Golden Retriever puppy. I am sure you will enjoy looking after him – he looks very obedient!

Xavier, in Year 1, is going to try hard with his school work. I can tell that you are working hard on your writing – it is very neat! When we have a few more stars I will start hanging them outside. If you haven't already, maybe you can decorate yours this weekend.

Have a lovely weekend everyone – with a good rest! Take care, Mrs Bashora
