

With God We Grow

Letter 10 – Monday 18th January 2021

Dear Children

I hope you all had a good weekend and managed to have some fun doing your favourite things. We are still munching our way through Christmas chocolate at our house – so in between, to burn off the chocolate, we went on a Saturday winter walk and a Sunday family bike ride to Worden Park.

What is your favourite way to exercise? Perhaps you have been joining in with Joe Wicks.

You might like to do 'PE with Millie.' She has been using her trampoline to keep fit.

Jude and Josh have been exercising at home with Joe Wicks but they have also been busy:

walking the dog,

boarding the loft,

rescuing ladybirds,
building Lego

and cooking a tasty meal
– what a busy weekend!

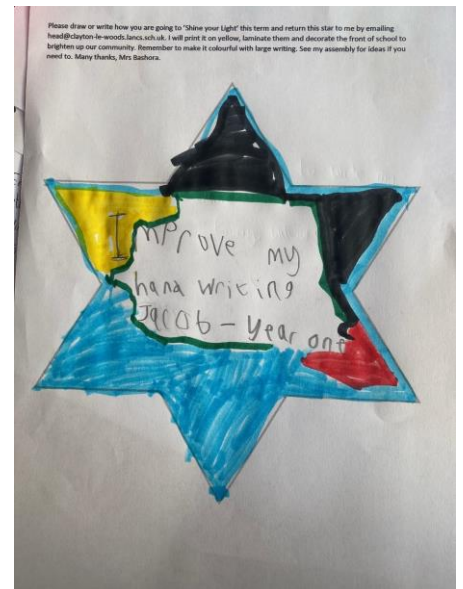

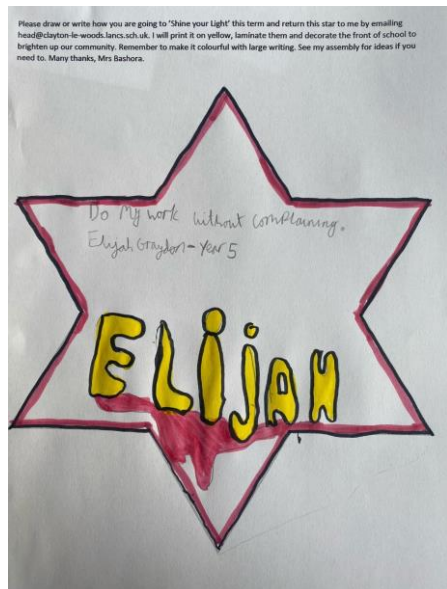

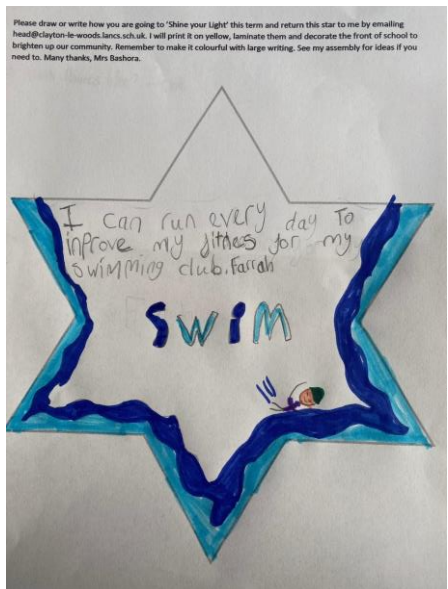

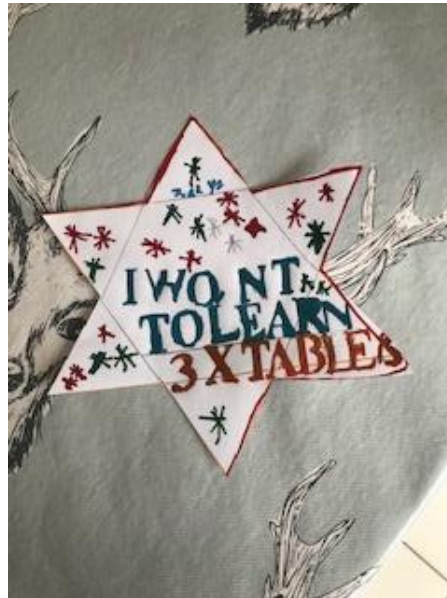

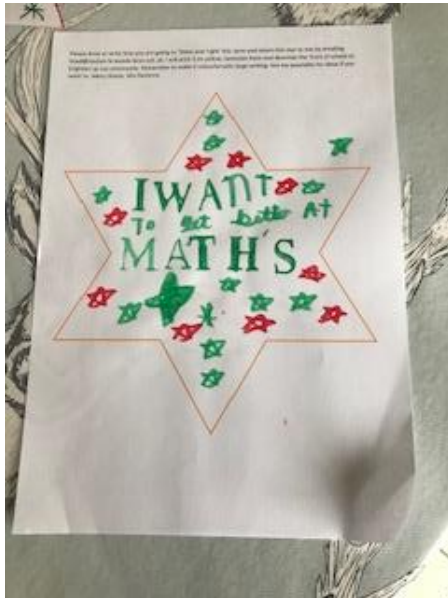

Lot of you have sent me your wonderful stars too – I've pasted them on the next page. Thank you Josh, Jude, Elijah, Farrah, Jacob and Emery. Keep them coming in and then we can decorate the front of school.

With God We Grow

Letter 10 – Monday 18th January 2021

These are lovely and colourful. They will really brighten up our local community, thank you! All the stars we have seen so far are all so different – just like each of you. Each of us is working on developing our own skills and talents. Have fun!
Bye for now, Take care, Mrs Bashora
