

***With God We Grow***

**Letter 15 – Monday 25<sup>th</sup> January 2021**

Dear Children

I hope you are all OK. It has been a tricky day for many families because we have had to close our Junior building today. Some Junior children will need to stay at home for quite a few more days. Some Junior children will come back to school on Wednesday this week. I will let the adults in your family know all about this. We just have to work together to keep everyone as safe as we can during this pandemic. Hopefully, it won't be too many more weeks before we can all be together again in school. I can't wait for that day!

When we have to spend more time indoors at home it can be a good chance to re-discover some of our games and toys that we haven't played with for a while. We all need a break in between our home learning tasks!

Poppy has been perfecting her skills with her Rubix cube. She can complete it every time now – Wow! That's impressive Poppy. I have never, even once, managed to complete a Rubix cube. I think I'd need to practise for longer and really persevere, if I want to match Poppy!

We also had snow again at the weekend so that is always good fun for children. Emily and Edward enjoyed sledging after working hard all week with their home learning.

They also had fun baking. Edward baked banana bread and Emily made pancakes. They look delicious. I wonder if you managed to toss, and catch, the pancakes?

Thank you so much to all the children who have sent me their news and photographs so far – I know your friends like to see what you have been up to. Please do keep emailing me. Also, remember to send your Marvellous Me moments, and photos of you reading in different places, to Mr Howard.

*'Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.'*

*Joshua 1:9*

Take good care of each other,  
Bye for now, from Mrs Bashora
