

With God We Grow

Letter 34 – Friday 26th February 2021

Dear Children

Well done – another week of home learning nearly finished! And then we have only one more week to go before we are all re-united. I'm so looking forward to that – and so is everyone here at school.

It was a lovely Spring day yesterday – perfect for taking our learning outside.

Year 5 and 6 were looking at the Holy Trinity in RE. They created their own symbols using natural materials. They found so many different ways to show how God the Father, God the Son and God the Holy Spirit are three-in-one – great work!

With God We Grow

Letter 34 – Friday 26th February 2021

Now, it's a little while since we had any photos of the yummy things you've all been baking and cooking. Luckily, Sasha has shared photos of her soup-making skills. You should be very proud of yourself Sasha – this soup looks like the creation of a master chef! Please could you send me the recipe?

I wonder what your favourite flavour of soup is? I love carrot and coriander!

One of my favourite stories when I was little was Stone Soup. Do you know it? I think I'll have to tell that one to you soon.

You have inspired me to do some soup making at the weekend Sasha! It will be a good change from baking – and more healthy. I told you all, before the holiday, that we have a new oven and we were looking forward to baking over the half term break. Well we certainly put our oven to the test. Alice baked Nutella brownies, a victoria sponge cake and two lemon drizzle cakes. I had a pastry day and made: two chicken and mushroom pies, lots of little egg custard tarts and some small jam pasties with the left over pastry. We decided that it's a good oven! And we shared some of the food with my Mum and Dad, who fed us whilst we had no oven. But, I think my waist line is now calling for vegetable soup. Maybe we could try baking bread to go with it though! Mmmm!
