Full Re-opening on Monday 8th March

Dear Parents/Carers

We are very much looking forward to welcoming all children back to school on Monday 8th March. I should imagine that many of you are looking forward to de-schooling your homes and returning to 'normal' roles at home and maybe some more peace and quiet. For all of you who have persevered with remote learning – well done and thank you!

School will operate much the same as during the autumn term. I will send out a link to the amended risk assessment which will be on the website. The most notable changes are that all primary school staff are now offered two lateral flow tests per week.

All adults will continue to wear face masks, and keep a two metre distance, in communal spaces. This includes parents and carers when dropping off or collecting children. Please do not use drop off/ pick up times to catch up with others socially. Please keep your children close to you at these times so they do not mix with other children outside their class bubble (apart from siblings!)

EYFS will form one bubble – with children from Pre-School and Reception. In the rest of school classes will form their own bubble. The children, and members of staff within each class bubble, will not mix or cross bubbles. KS2 will eat lunches in their classroom. EYFS and KS1 children will eat in the hall but at separate times/ separate areas of the hall. Additional handwashing/ sanitising etc. will continue. There is a 'March at-a-glance' reminder attached with regard to uniform, bags etc. Before and After school Care Club will operate and a Sports Club will run after school – organised in bubbles. Further details to follow.

We will continue to use the one-way system. Drop off/ pick up times are as follows:

Year Group and Location	EYFS Own door	Y1 Front door up steps	Y2 Own door	Y3 Y3/6 door	Y4 Main entrance	Y5 Main entrance	Y6 Y3/6 door

Pick-up	3.15pm	3.20pm	3.30pm	3.20pm	3.20pm	3.30pm	3.30pm

Yours sincerely
Mrs S Bashora
