Visits to Cuerden Valley

Both Year 1 and 2 had a wonderful time exploring in the beautiful valley this week. They took part in a range of activities to explore the different habitats of pond, streams and woodland.

Year 2 children had a close look at lots of creatures found in the pond and woodland. They also named lots of trees and plants and even had time to paddle - trying not to let water in over their wellies! Year 1 enjoyed visiting the Kem Mill ruins and, whilst they had a rest on the wall, thought about how different it would have been when it was a working mill.

PTFA Meeting

Thank you to everyone who attended our PTFA meeting yesterday. It was lovely to welcome some new faces and to welcome back some familiar ones. Hopefully, as Covid restrictions are gradually lifted, we will be able to hold lots of our traditional events again.

We are already planning our Summer Fair and have set the date as Friday 9th July.

We will need some extra support to help with organising the event, setting up and running stalls. Please do get in touch:

ptfa@clayton-le-woods.lancs.sch.uk

if you could offer a small window of time to help. We are hoping to have enough volunteers so that you would only have to help on a stall for part of the event, then you also get chance to go around the fair with your own family.

If you work for a local business, or have contacts who do, then we would be most grateful for any type of donation or vouchers suitable for prizes. Many thanks in advance.

When they returned to school the children enjoyed showing what they had found out - producing beautiful paintings and drawings too.

Thank you!

We would all like to say a huge thank you to Mr Spedding for cutting down trees in our woodland area behind school. He has done a brilliant job of clearing some fallen trees and is returning to take down some further ones in the next few weeks. The space up there is now absolutely wonderful!

We will post some pictures of children using the area soon.

Thanks again Mr Spedding!

MindUp

This week we have been practising Mindful Listening and thinking about how it helps us to focus on our learning and have good manners.

Everyone should be quick to listen, slow to speak and slow to become angry.

Crossing Patrol Still Needed

If you know anyone who might be interested please pass on this information. The hours of the crossing are 0825 to 0855 and 1525 to 1555 weekdays during term time. Pay is £9.50 an hour for 7.5 hours a week, annualised.

Uniform and training will be provided. The applicant will need to pass DBS clearance and satisfy medical suitability for the role. For more information, or a general discussion, call Terry Watters the Area Organiser on 07831309578.

Runshaw Adult College would like to let parents and carers know about their open event.
