A Christmas Message

There is a really happy and productive buzz through school as children are having their special, end of term Enrichment Morning. There are festive crafts galore, friendship bracelet weaving, sculpting willow stars, pizza making, salt dough decorations and kite flying to name a few. Pre-school have just taught me how to say 'Merry Christmas' using Makaton! A lovely end to what has been, at times, a very challenging year.

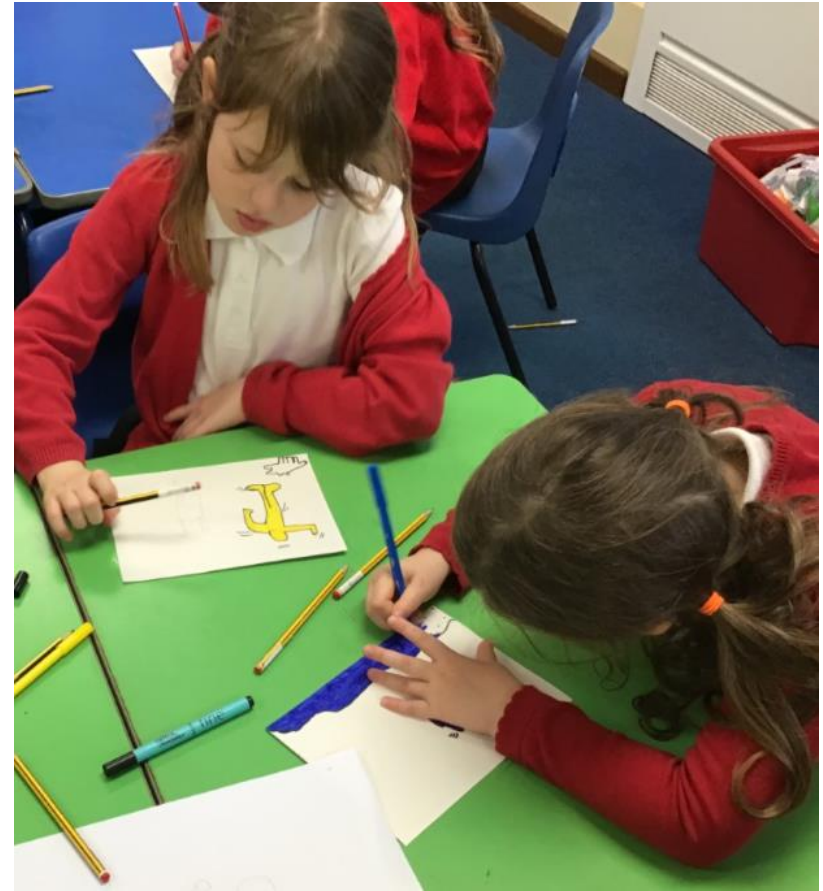

I would like to extend my thanks to our wonderful staff team as they have supported our children in returning to a more normal term - ensuring children's progress in academic areas and in their wellbeing. Thanks also to all of you for your understanding and the endless testing we have asked you to do! I have enjoyed getting to know you all over the past year. I would like to take this opportunity to wish you all a very Merry Christmas and a happy and healthy 2022.

Festive fun

As part of their 'Fighting Fit' topic, Year 2 looked at the work of the graffiti artist Keith Haring. They created their own pictures in the same style. These are really vibrant and energetic pictures year 2 – well done!

I have heard that there are still places on these Holiday Activity Clubs. If your child qualifies for free School meals then they are eligible for a place.
