A Fantastic Week!

We've had a really special week in school – there are many photos further down in the newsletter – keep scrolling!

- Year 6 dazzled us with their performance of the enchanted musical mystery, 'Sherlock and Cinders.' Everyone was so proud of the children who came together brilliantly – what a lot of talented singers and actors we have. A special thank you to Mr Kay and Mrs Walsh for their hard work with the production and thanks to all our families who made a fantastic, appreciative audience.
- 14 Pre-school children graduated today in a beautiful ceremony complete with red caps and gowns. (Quite a few of us had tears in our eyes!)
- Year 5 are having their adventures at Rock and River today as I type – Mr Howard has sent photos posted below.
- We had our second successful transition afternoon yesterday. In the morning the children wrote letters to their new teachers telling them all about themselves and what they are looking forward to. Teachers have had thorough handover meetings so they know all about each child, their specific needs and targets. We are all set for September!

Summer Fair Update

I'm really pleased to say that I under estimated the total raised at the fair. The final total is actually £2,060 which is a fantastic amount. Thanks again to all who contributed and a special thanks to local businesses/organisations who donated prizes and products:

- Asda – bread rolls and sauces for the BBQ
- Morrisons – bread rolls
- Tesco – bread and condiments
- Dr Oetker – 50 pizzas
- Sale Sharks Rugby Team – signed shirt
- Mr Livesey – burgers and sausage

Heatwave Prediction

As you will be aware we are predicted to have a heatwave next week. Please ensure your child has:

- Suncream applied and a bottle with them to reapply
- Sun hat/cap
- Water bottle

We will make dynamic risk assessments on the days as to how long children stay outside, ensure shade etc.

School Books

Please return all accelerated reader books and any other books that belong to school next week.

Remember that we close at 2.00pm on
Friday 22nd July

From September all dinner money, trip and Care Club payments can only be paid via the app below. You will need to book and pay for school meals and Care Club sessions in advance on the app. It is vital that everyone downloads and uses the app. There will be no other method of making payments to school. ParentPay will close down on the last day of this term. Any credits or debits will be transferred.

Rocking Robots in Year 1

Using lots of recycled materials Year 1 created some amazing robots. Maybe you could continue building robots at home so that you can make robot families. If any of your adults are good at building electrical circuits you could wire them up to do some jobs around the house – sweeping floors, mowing the lawn ...!
